Source of academic profile data is collegeresults.org. Estimated median SAT/ACT is a figure calculated by collegeresults.org, not a figure reported by the higher education institutions. "% Underrepresented Minority" is the percent of full time equivalent undergraduates who are Black, Latino or Native American. % Pell Recipients is the percentage of full-time, first-time degree seeking students who received federal Pell Grants. Underrepresented minority data for FGCU and UNF was taken from 2004 (2002 or 2003 was not available).
