FCAN releases 2019-20 Florida FAFSA Challenge Dashboard

Track your school or district's progress on the proportion of seniors completing the FAFSA

Florida College Access Network (FCAN) is pleased to announce the release of this year's [Florida FAFSA Challenge dashboard](#), which provides school, district, and state-level data on high school seniors who have completed the FAFSA to date during the 2019-20 school year.

The Florida FAFSA Challenge, a statewide campaign to increase the proportion of 12th graders who complete the Free Application for Federal Student Aid (FAFSA), runs through **March 27, 2020**.

The Florida FAFSA Challenge recognizes the highest-performing schools and districts in the following categories:

- **MVP** (Highest FAFSA completion rate through March 27, 2020)
- **Most Improved** (compared to previous year through March 27, 2020)

We will also again recognize "**FAFSA Champions**," which includes all schools and districts that increase their FAFSA completion rate by at least 5% compared to last school year.

FCAN will post Florida FAFSA Challenge updates regularly at www.floridacollegeaccess.org. You can also [register for the Florida FAFSA Challenge](#) and FCAN's other [College Ready Florida](#) initiatives.
