

GRADUATE MIAMI-DADE

WHEN STUDENTS SUCCEED, MIAMI THRIVES

Graduate Miami-Dade brings together educators, advocates, and community leaders across Miami-Dade County who are passionate about expanding access to post-secondary success.

Through strong partnerships and shared resources, Graduate Miami-Dade empowers our community to help every student reach their full potential and thrive beyond high school.

SUPPORT

We've supported over 500 students with incentives, FAFSA assistance, and workshops that promote college access and exposure.

EMPOWER

We work to expand college and career readiness, access, and completion for low-income, adult, and first-generation students by uniting LCAN members to remove barriers to postsecondary success.

ADVOCATE

We advocate for policies that promote student and community well-being to improve access and success in college and career programs.
